

The Bullet BT – wireless music streaming speaker in revolutionary design...

Stream your favourite music through this powerful and elegant speaker. The Bullet connects to any device via Bluetooth and set up is made simple by NFC (Near Field Communication).

As an extra feature, the Bullet has analogue volume control but is naturally managed 100 % from your unit.

The design is ground-breaking with its light tapered shape fitted with stylish legs in anodized aluminum.

The Bullet is delivered in an elegant grey silk matt coating design but is also available in other colours on request (MOQ 500 pcs).

Amazing sound!

Specifications

Bluetooth 4.0 • NFC (near field communication) • 20 Watt RMS* • APTX • Line-in • Size: 220 x 220 x 215 mm.
